Dear Area Business Member:

Off the Lake Productions is a registered nonprofit, student-run service-based theatre organization. Each year, we produce a cabaret during the fall semester and a musical and a play during the spring semester. We also pride ourselves on being strongly invested in a service aspect of our organization and participate in several service activities including The Harmony Project, MLK Day of Service, Buckeyethon, and hosting a food drive for each of our performances.

Since we only ask for a nonperishable food item (to be donated to the Mid-Ohio Food Bank) or $1.00 (to be donated to the Harmony Project) in place of admission, we rely heavily on grants from the university to fund our shows throughout the year. While the grants greatly help with the costs, musicals and plays can be quite expensive to produce.

We are asking you to support our theater productions this year by placing an ad in our programs which will be seen by over 4000 audience members during our nine performances.

Please consider placing an ad with us; attached is an order form with prices. We ask that you return the form along with your check made payable to Off the Lake Productions along with any art work or graphics.
