

Please stick to these guidelines that RHAC has listed out for each category. We thank you in advance for your cooperation!

Food: \$12/person

Prizes/Take-home items: subject to the discretion of RHAC; please refer to the example grant

Transportation: \$15/person

Decorations: \$50 for the whole program

Tickets: subject to the discretion of RHAC; please refer to the example grant

Supplies: if supplies are long term items and can be used building wide, please look into getting them funded by your building / CC

Please contact Meenakshi Manne.20 if you have any additional questions or concerns.

Since we are reducing our grant allocation, we please ask that RHAC be a supplement to your funding needs. This means consulting other avenues (for RAs, this could look like using floor funds or asking your CC) around the university.
