Also, come and see if you are selected as MUNDO’s outstanding participant of the semester! All MUNDO students, staff and faculty are invited to join in the festivities which include tasty snacks!

THE M2O LOS ANGELES EXPERIENCE 2016
(DECEMBER 17-23, 2016)

About the Experience:

The Los Angeles Experience began in the year 2003 as part of MUNDO’s commitment to exploring communities all across the United States. The experience continues to be designed to explore the social, environmental and economic changes that have transformed (and continue to change) America’s second largest city.

The experience has traditionally featured a look at life beyond the glitz and glamour of Hollywood as a way to learn about the diversity of peoples, cultures and stories that make up this dynamic city. In 2014 the experience was combined with a visit to San Francisco for a more comprehensive look at life in Northern and Southern California. This year the experience will include meeting with Ohio State alumni living and working in the Los Angeles area, volunteer work in local communities, a look behind the scenes at a Hollywood movie studio, meetings with local Southern California college students to learn about their perspectives on L.A., and more! The cost of the experience for participants is $350.
